Josh Lange

To whom it may concern,

I'd like to take this opportunity to recognize the excellent work Josh has done on behalf of the Vancouver Film School during the production of two projects for the LA International Short Film Festival. The quality of work that he and the rest of the team were able to produce in a short period of time was exceptional. Josh also displayed an uncommonly high level of work ethic and professionalism when faced with obstacles within the production process. He currently displays the attributes of a good production employee and will likely prove to be an excellent GC artist.

Sincerely,

A handwritten signature in black ink that reads 'Chuck Johnson'.
